

USOE CACTUS Course Change Request

The following form may be used to petition USOE to change elements of a course in the CACTUS course listings. For example you may petition USOE to add an endorsement, expand the grade range, or change the course description.

If you wish to add an Applied Advanced and Supplemental (AAS) designation to an existing course you must also complete part B. Courses carrying an AAS designation satisfy the elective Language Arts, Mathematics and Science graduation requirements. The current list of AAS courses may be found at <http://www.schools.utah.gov/curr/main/GradInfo.htm>. Following this form is a sample rubric USOE will use in evaluating a petition to assist in an AAS designation.

After completing the form and obtaining all appropriate signatures from your LEA office, please submit to:

Data Analyst
Utah State Office of Education
Curriculum & Instruction
250 East 500 South
PO Box 144200, Salt Lake City UT 84114-4200
Phone: 801-538-7500
E-mail: Jamie.ney@schools.utah.gov

Note that USOE publishes all changes and additions to the course listings for the next school year by January 11. Therefore, this form must be submitted to USOE no later than **November 1** of the year proceeding the school year you would like the change to take effect. Except in rare exceptions, changes will **not** be made to the course list for the current school year or after January 11 for the next school year.

Before petitioning for any changes, please check the current course listings and the list of upcoming changes to the course list at http://www.schools.utah.gov/curr/main/Core_Codes/default.htm.

If you have any questions, please contact the Data Analyst or appropriate content specialist in the Curriculum and Instruction Department at the Utah State Office of Education.

USOE CACTUS Course Change Request

Submitter: _____ Date: _____

Submitter's Title: _____ Phone: _____

District/School: _____

Course Name: _____
