

- ▶ STAR provides students with additional reading **practice** aligned with the Utah Core Standards, research-based practices, and classroom instruction.
- ▶ Lessons **enhance classroom instruction** in phonemic awareness, phonics, fluency, comprehension, and vocabulary.
- ▶ STAR is designed to be used in **one-on-one tutoring** with adult volunteers or paraprofessionals as reading practice, not intervention.
- ▶ Students benefit from increased reading time, targeted practice, and a **rewarding reading experience**.

For information, please contact Sue Okroy, USOE STAR Tutoring Program Specialist at susan.okroy@schools.utah.gov or phone 801.538.7765.
