

STRANDS AND STANDARDS

COSMETOLOGY

Course Description

This is a program that prepares individuals to cut and dress hair, shave and trim facial/neck hair and beards, and customer relations and salon management. Instruction includes history of cosmetology, health and safety, customer service; shop business practices; legal issues; human immune system; diseases and disorders of the hair and scalp; implements, tools and equipment; hair and scalp anatomy and physiology; basic science of cosmetology; chemistry of cosmetology; analysis of the hair and scalp; properties of the hair, skin, and scalp; shampooing; hair cutting; hair styles and styling art; facial shaving; and beard and mustache shaping and trimming. The task list for this program is based on the state rules and regulations as a part of the state law. Completed instruction qualifies the student for licensing examinations in Utah.

Intended Grade Level	11-12
Units of Credit	0.5
Core Code	40.03.00.00.001
Concurrent Enrollment Core Code	40.03.00.13.001
Prerequisite	None
Skill Certification Test Number	Industry test 953
Test Weight	1.0
License Type	CTE and/or Secondary Education 6-12
Required Endorsement(s)	
Endorsement 1	Cosmetology/Barbering
Endorsement 2	N/A
Endorsement 3	N/A

STRAND 1

Students will receive an orientation to the cosmetology trade.

Standard 1

Explain the history of cosmetology and the occupational opportunities.

Standard 2

Discuss life skills as they pertain to ethics, managing time, study habits, and having a positive attitude.

Standard 3

Demonstrate the professional image that is expected in the cosmetology industry.

Standard 4

Demonstrate effective communication skills when dealing with clients.

Performance Skill

Receive an orientation to the cosmetology trade.

- Explain the history of cosmetology and the occupational opportunities.
- Discuss life skills as they pertain to ethics, managing time, study habits, and having a positive attitude.
- Demonstrate the professional image that is expected in the cosmetology industry.
- Demonstrate effective communication skills when dealing with clients.

STRAND 2

Students will be able to understand and demonstrate the science of cosmetology.

Standard 1

Describe bacteriology.

Standard 2

Discuss infection control and demonstrate safe work practices.

Standard 3

Identify the principal tools, implements, equipment, and their parts used in the practice of cosmetology.

Standard 4

Explain the importance of anatomy and physiology to the cosmetology trade.

Standard 5

Explain the importance of chemistry for cosmetologists.

Standard 6

Understand the basics of electricity and light therapy and their safe use.

Standard 7

Describe the properties and disorders of the skin and nails.

Standard 8

Describe the properties and disorders of the hair and scalp.

Performance Skill

Understand and demonstrate the science of cosmetology.

- Describe bacteriology.
- Discuss infection control and demonstrate safe work practices.
- Identify the principal tools, implements, equipment, and their parts used in the practice of cosmetology.
- Explain the importance of anatomy and physiology to the cosmetology trade.
- Explain the importance of chemistry for cosmetologists.
- Understand the basics of electricity and light therapy and their safe use.
- Describe the properties and disorders of the skin and nails.
- Describe the properties and disorders of the hair and scalp.

STRAND 3

Students will be able to understand and demonstrate proper hair care techniques.

Standard 1

Demonstrate proper treatment of hair and scalp.

Standard 2

Demonstrate proper principles of hair design.

Standard 3

Understand and demonstrate proper shampooing, rinsing, and conditioning techniques.

Standard 4

Demonstrate principles of haircutting.

Standard 5

Demonstrate principles of hairstyling.

Standard 6

Demonstrate principles of braiding and braid extensions.

Standard 7

Identify wigs and hair enhancements.

Standard 8

Demonstrate chemical texture services.

Standard 9

Demonstrate proper haircoloring techniques.

Performance Skill

Understand and demonstrate proper hair care techniques.

- Demonstrate proper treatment of hair and scalp.
- Demonstrate proper principles of hair design.
- Understand and demonstrate proper shampooing, rinsing, and conditioning techniques.
- Demonstrate principles of haircutting.
- Demonstrate principles of hairstyling.
- Demonstrate principles of braiding and braid extensions.
- Identify wigs and hair enhancements.
- Demonstrate chemical texture services.
- Demonstrate proper haircoloring techniques.

STRAND 4

Students will be able to understand and demonstrate the proper skin care techniques.

Standard 1

Identify skin disorders and the anatomy of the skin.

Standard 2

Demonstrate an understanding of hair removal methods.

Standard 3

Identify the appropriate products and techniques used in skin care and demonstrate the procedure for a basic facial.

Standard 4

Describe the different types of cosmetics and their uses.

Performance Skill

Understand and demonstrate the proper skin care techniques.

- Identify skin disorders and the anatomy of the skin.
- Demonstrate an understanding of hair removal methods.
- Identify the appropriate products and techniques used in skin care and demonstrate the procedure for a basic facial.
- Describe the different types of cosmetics and their uses.

STRAND 5

Students will be able to understand and demonstrate the proper nail care techniques.

Standard 1

Describe the structure and composition of nails and how a nail grows.

Standard 2

Demonstrate an understanding of manicuring and pedicuring.

Standard 3

Demonstrate an understanding of advanced nail techniques.

Performance Skill

Understand and demonstrate the proper nail care techniques.

- Describe the structure and composition of nails and how a nail grows.
- Demonstrate an understanding of manicuring and pedicuring.
- Demonstrate an understanding of advanced nail techniques.

STRAND 6

Students will be able to understand and demonstrate the business of cosmetology.

Standard 1

Understand and demonstrate what it requires to operate a cosmetology business.

Standard 2

Demonstrate an understanding of what it takes to prepare for a career in the cosmetology industry.

Standard 3

Prepare for the state board and licensing laws examination.

Performance Skill

Understand and demonstrate the business of cosmetology.

- Understand and demonstrate what it requires to operate a cosmetology business.
- Demonstrate an understanding of what it takes to prepare for a career in the cosmetology industry.
- Prepare for the state board and licensing laws examination.

STRAND 7

Students will understand the importance of career readiness skills as it relates to the workplace and outlined in the SkillsUSA Framework – Level 1.

Standard 1

Understand and demonstrate the attitude of cooperation.

- Develop awareness of cultural diversity and equality issues.
- Demonstrate effective communication with others.
- Apply team skills to a group project.
- Identify and apply conflict resolution skills.

Standard 2

- Discover self-motivation techniques and establish short-term goals.
- Measure/modify short-term goals.
- Review a professional journal and develop a three- to five-minute presentation.

Standard 3

Plan for your future career.

- Complete a self-assessment and identify individual learning styles.
- Define future occupations.
- Identify the components of an employment portfolio.
- List proficiency in program competencies.
- Complete a survey for employment opportunities.
- Create a job application.
- Assemble your employment portfolio.
- Employability skills: evaluate program comprehension.

Standard 4

Understand and demonstrate the ability to manage a project.

- Apply team skills to a group project.
- Observe and critique a meeting.
- Demonstrate business meeting skills.
- Explore supervisory and management roles in an organization.
- Identify and apply conflict resolution skills.
- Demonstrate evaluation skills.
- Manage a project and evaluate others.

STRAND 8

Students will understand the importance of career readiness skills as it relates to the workplace and outlined in the SkillsUSA Framework – Level 2.

Standard 1

Understand and demonstrate reliability.

- Determine individual time management skills.
- Explore what's ethical in the workplace or school.
- Demonstrate awareness of government.
- Demonstrate awareness of professional organizations and trade unions.

Standard 2

Understand and demonstrate responsiveness.

- Define the customer.
- Recognize benefits of doing a community service project.
- Demonstrate social etiquette.
- Identify customer expectations.

Standard 3

Understand resiliency.

- Discover self-motivation techniques and establish short-term goals.
- Select characters of a positive image.
- Identify a mentor.

Standard 4

Understand and demonstrate workplace habits.

- Participate in a shadowing activity.
- Explore workplace ethics: codes of conduct.
- Recognize safety issues.
- Perform a skill demonstration.
- Exercise your right to know.

Standard 5

Understand and develop initiative.

- Develop personal financial skills.
- Develop a business plan.
- Investigate entrepreneurship opportunities.

Standard 6

Understand and demonstrate continuous improvement.

- Conduct a worker interview.
- Demonstrate evaluation skills.
- Examine ethics and values in the workplace.
- Develop a working relationship with a mentor.
- Construct a job search network.
