Dear State School Board,

On behalf of Return To Parental Rights, of which I am co-founder, I would like to request a public hearing regarding the Board's changes to the Opt-Out Rule for assessments. It has come to my attention that that rule has been revised.

Please let me know if this can be accommodated.

Sincerely,

JaKell Sullivan

Lorraine,

Yes. RTPR represents more than 10 people. The rule number is R277-404. I look forward to finding out when the hearing can be scheduled.

Thank you.

JaKell

Ms. Sullivan,

Your request for a public hearing was received October 12, 2018. In accordance with Utah Code Section 63-G-302 Public Hearings, "(2) Each agency shall hold a public hearing on a proposed rule, amendment to a rule, or repeal of a rule if . . . (i) another state agency, 10 interested persons, or an interested association having not fewer than 10 members request a public hearing."

In order to have accurate information on the hearing requestors and the rule, please verify that your organization has at least 10 members, and also provide the number of the rule on which you would like the hearing. Once this information is received, consideration for the hearing will move forward.
