

How well do you adjust to change? Recognize	10
that change is as certain to some as death or taxes.	20
You cannot avoid change, but you can adjust to it. How	30
quickly you do this is one index of your likely success	40
in the world ahead.	44
As well as acts of nature, people cause change to	54
take place. Growth in use of computers in homes and	64
business is an example of change caused by people.	74
Have you been able to handle the many changes the	84
computer has brought to your life?	90
