

RETURN TO LICENSURE (RTL) EXAMPLES OF APPROPRIATE PLANS

Educator A -

- Improve teaching technique through the proficient use of technology:
 - Use tablet computer, enabling better proximity while preparing mathematical concepts, notes, reviews, etc.
 - Design and maintain a teacher website so that students and parents have access to assignments and information.
 - Plan and prepare to enable student success:
 - Participate in the math department learning community on a regular basis.
 - Attend professional development conferences.
 - Take professional development for increased content knowledge – (list).
-

Educator B-

Acquire Technical Theatre-based Knowledge and Skills— Educator will study various aspects of technical theatre through both organized education and independent means. She will complete training on the school sound system and expand her skills through future USITT involvement.

Explore Current Trends in Theatre Education—Educator will join organizations for professional educators, including but not limited to UACTT and UTA, subscribe to professional journals/periodicals and attend offered workshops when scheduling permits.

Educator C-

Goal 1: To develop a learning community in the classroom that helps students to gain positive behavior and engage in learning.

Activities: Professional conference and/or professional development, district professional development, mentor counsel, administrative reviews/evaluations, reviewing published professional materials, on-line resources, expanding the use of technology, colleague collaboration. A combination of any of these activities will provide opportunities to acquire and implement higher level knowledge, skills, and/or techniques.

Educator D-

Goal: 1) Improve familiarity with the Social Studies Curriculum used in district software.

Performance Measure: Achieve 90% or higher on final exam for each of the courses.

Action Step 1: Read and review course materials for all history courses.

Goal: 2) become proficient in the use of the software.

Performance Measure: Receive satisfactory performance reviews from supervisor and principal.

Action Step 2.1: Complete all online tutorials.

Action Step 2.2: Attend monthly in-service and training meetings.
