	<p>NOTE: secondary education UVU offers minors in all areas (see list below) as content minors, except history/social studies and physical education. However, the minor doesn't equal an endorsement so we tell students to go to the USBE website and take the classes listed for the endorsement, then apply for the endorsement once they have their license. We offer the courses to earn an endorsement, but we don't identify them as doing such as they are not related to their getting a degree from UVU.</p>
