

THE ULTIMATE LEADERSHIP EXPERIENCE

Mission: To promote personal growth and leadership development through Family and Consumer Sciences education.

- Family, Career and Community Leaders of America (FCCLA) is a nonprofit national Career and Technical Student Organization (CTSO) for young men and women in Family and Consumer Sciences education, in public and private school grades 7-12.
- Since 1945, FCCLA members have been making a difference in their families, careers, and communities by addressing important personal, work and societal issues through Family and Consumer Sciences education.
- Involvement in FCCLA offers members the opportunity to expand their leadership potential and develop the skills for life-planning, goal setting, problem solving, decision making, and interpersonal communication necessary in the home and workplace.
- FCCLA chapter projects focus on a variety of youth concerns, including teen pregnancy, parenting, family relationships, substance abuse, peer pressure, the environment, nutrition and fitness, teen violence, and career exploration.

GOALS

Utah FCCLA Chapter Goals 2019-2020:

1. Complete the national FCCLA Financial Fitness program.
2. Plan and carry out two activities directed at recruiting prospective members.
3. Partner with another school organization or FCCLA chapter to plan and carry out a service project.
4. Hold an event in your community to increase public awareness of FCCLA.

SERVICE

As FCCLA members work together they become aware of themselves, their responsibilities as citizens, and their roles as future community leaders. This year, Utah FCCLA members will raise money and awareness for Lifting Hands International, a nonprofit organization that provides humanitarian aid to refugees.

TEACHING

As FCCLA members complete service projects within their school and community, and participate in competitive events they demonstrate their ability to teach members of their families, schools, and communities.
