

Run, Chester, Run

Peter liked to play with Chester the dog.	8
One day he said, "Chester is big. Can he pull the wagon with my tire in it?"	18 25
"Let's see," said Betsy.	29
Away ran Chester with the tire in the wagon.	38
Peter and Betsy ran, too.	43
At last Betsy said, "Get in, Peter. Chester is big. He can pull you!"	52 57
