

# HOSA: FUTURE HEALTH PROFESSIONALS

**Mission:** To enhance the delivery of compassionate, quality healthcare by providing opportunities for knowledge, skills, and leadership development of all Health Science education students, thereby helping the student meet the needs of the healthcare community.

- HOSA–Future Health Professionals is the student leadership organization for Health Science Education. Founded in 1976, HOSA brought together students, teachers, and healthcare industry leaders to create an organization that is exclusively committed to healthcare.
- Since 1976, over 1.5 million members have benefitted from the mission of HOSA and the dedication of HOSA advisors. HOSA is the only CTSO that has shown 20 years’ continuous membership growth!
- Today, HOSA–Future Health Professionals remains committed to making a positive difference in the lives of students by developing their potential for premiere leadership, personal growth, community service, academic scholarships, and unique internships.

# GOALS

## Utah HOSA Goals for 2018-2019:

1. Encourage involvement in local, state, and national health care and education projects.
2. Encourage more personal and chapter involvement with HOSA through HOSA Games.
3. Develop and practice effective leadership qualities and skills.
4. Support Health Science Education instructional objectives through the competitive events program.

# SERVICE

HOSA encourages Health Science students to provide community service through the adoption of goals and implementation of strategies related to the support of a national healthcare organization. The current national service project is the National Pediatric Cancer Foundation. The Utah service project is Hope 4 Utah. HOSA members plan awareness, service and fundraising activities in support of the projects.

# TEACHING

HOSA brings relevance to the classroom through industry-based competitive events, HOSA Leadership University, and community service.

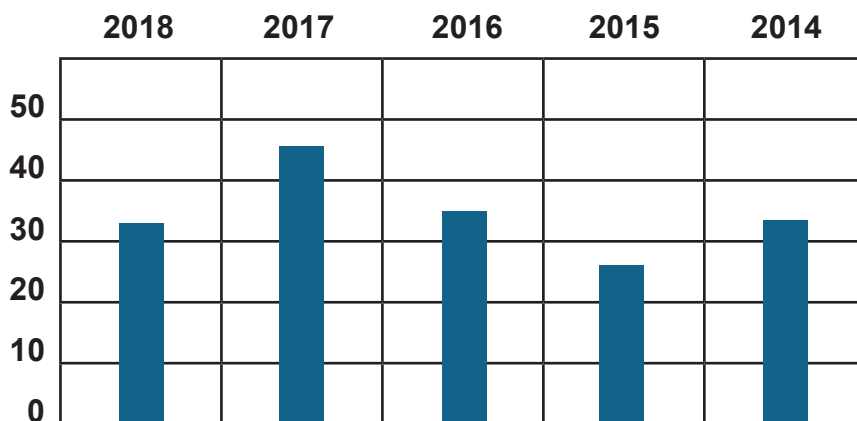

Utah HOSA members are engaged in a wide range of curricula (from foundation courses to specialty courses such as Emergency Medical Technician, Medical Forensics, and Biotechnology).
