Mission: To enhance the delivery of compassionate, quality healthcare by providing opportunities for knowledge, skills, and leadership development of all Health Science education students, thereby helping the student meet the needs of the healthcare community.

- HOSA—Future Health Professionals is the student leadership organization for Health Science Education. Founded in 1976, HOSA brought together students, teachers, and healthcare industry leaders to create an organization that is exclusively committed to healthcare.

- Since 1976, over 1.5 million members have benefitted from the mission of HOSA and the dedication of HOSA advisors. HOSA is the only CTSO that has shown 20 years’ continuous membership growth!

- Today, HOSA—Future Health Professionals remains committed to making a positive difference in the lives of students by developing their potential for premiere leadership, personal growth, community service, academic scholarships, and unique internships.

"Without CTSOs, I can say for a fact that, I would not be who I am today. CTSO programs have helped me develop my leadership and public speaking skills and have helped me strengthen skills I will use for the rest of my life."

Brooklyn Stevenett, Utah HOSA president

HOSA PROFILE
HOSA has members in the U.S., Canada, Mexico, Italy, Germany, American Samoa, District of Columbia, and Puerto Rico. Membership in HOSA is restricted to only health occupations students.

HOSA international membership:
> 19% male
> 81% female
> 55% racial diversity

HOSA activities lead to over 300 career opportunities in healthcare.

More than 2.7 million HOSA members have taken Health Science courses and participated HOSA activities and events.

NATIONAL RECOGNITION
Each year, Utah HOSA student members compete at the HOSA International Leadership Conference in more that 58 competitive events.

**Goals**

Utah HOSA Goals for 2022-2023:
1. Focus on a disease of the month to help educate the community about the disease, causes, and treatments.
2. Increase engagement of HOSA members through the use of technology.
3. Increase middle school involvement and membership by five HOSA chapters.

**Service**

HOSA encourages Health Science students to provide community service through the adoption of goals and implementation of strategies related to the support of a national healthcare organization. The HOSA service project is Be the Match.

**Teaching**

HOSA brings relevance to the classroom through industry-based competitive events, HOSA Leadership University, and community service. Utah HOSA members are engaged in a wide range of curricula (from foundation courses to specialty courses such as Emergency Medical Technician, Medical Forensics, and Biotechnology).
