North Summit School District

302
Students enrolled in CTE courses

100%
Graduation rate for students who are CTE concentrators.

Compared to No. Summit School District’s graduation rate of 92.4%

85%
of students concentrated in a CTE Career Pathway. A concentrator is a student who has completed 1.5 credits in a single CTE program of study.

51%
of students completed a CTE Career Pathway. A completer is a student who has completed 3.0 credits in a single CTE program of study.

7.8%
of students who concentrated in a CTE Pathway placed in postsecondary education, advanced training, military service, or employment. (October 1-December 31, 2017-2018)

90
CTE Concurrent Enrollment (CE) credits earned

Students have opportunities to earn CE credits in CTE courses. CE provides prepared high school students with a challenging and rigorous college-level experience. Students in the program receive both college and high school credit.

90
Students statewide received a CTE Scholarship and Tuition Award to a Utah public college or university.

Statewide, 258 high school seniors applied for a CTE Scholarship and Tuition Award, with 90 applicants receiving a college scholarship. Scholarships are for up to one year’s tuition.

College and Career Awareness is a middle school course designed to increase awareness of college and career pathways. Students explore high school, college, and career options based on individual interests, abilities, and skills. Students investigate high-skill and/or in-demand jobs in the Utah labor market, while developing workplace skills.

CTE Learning that works for Utah
Students completing a CTE Career Pathway are recognized by the state of Utah and their high school by receiving a CTE Secondary Pathway Completer Recognition Award.

**CTE Career Pathways with the Highest Completer Rates**
- Agricultural Production Systems
- TV Broadcasting Technician
- Welding
- Commercial Art
- Plant Science
- Family & Human Services
- Cabinetmaking/Millwork

36 students participated in WBL activities, including internships, apprenticeships, and workplace readiness training.

WBL provides opportunities for students to learn a variety of skills through rigorous academic preparation with hands-on career development experiences.

195 students are members of a Career and Technical Student Organization (CTSO).
