

# Annual Report On Providers

STATEWIDE ONLINE EDUCATION PROGRAM

UTAH STATE BOARD OF EDUCATION 250 East 500 South, Salt Lake City, Utah 84111-3204

## **INTRODUCTION**

This report is prepared annually as required by UCA 53A-15-1218. Where a school was not a program provider prior to this reporting year, the term NA will be used to signify that no provider data is present for these years. Data is listed by Provider, with required and additional criteria listed. *Course completion rate* is determined by the number of students passing requested credit within term specified in statute (“timely”), as a portion of the percentage of students who are (i) active in course at “Census” (the day following the 20<sup>th</sup> day beyond the student’s point of entry into the course), and (ii) who had not requested to withdraw prior to the end of the course term.
