394 (c) A school may not charge for duplicating, mailing, or transmitting copies of school
395 records to an elementary or secondary school in which a former student is enrolled or intends
396 to enroll.

397 (11) To preserve equal opportunity for all students and to limit diversion of money and
398 school and staff resources from the basic school program, each LEA's fee policies shall be
399 designed to limit student expenditures for school-sponsored activities, including expenditures
400 for activities, uniforms, clubs, clinics, travel, and subject area and vocational leadership
401 organizations, whether local, state, or national.

402 **R277-407-7. Donations in lieu of Fees.**

403 (1)(a) A school may not request or accept a donation in lieu of a fee from a student or
404 parent unless the activity, class, or program for which the donation is solicited will otherwise
405 be fully funded by the LEA and receipt of the donation will not affect participation by an
406 individual student.

407 (b) A donation is a fee if a student or parent is required to make the donation as a
408 condition to the student's participation in an activity, class, or program.

409 (c) An LEA may solicit and accept a donation or contribution in accordance with the
410 LEA's policies, but all such requests must clearly state that donations and contributions by a
411 student or parent are voluntary.

412 (2) If an LEA solicits donations, the LEA:

413 (a) shall solicit and handle donations in accordance with policies established by the
414 LEA; and

415 (b) may not place any undue burden on a student or family in relation to a donation.

416 (3) An LEA may raise money to offset the cost to the LEA attributed to fee waivers
417 granted to students through the LEA's foundation.

418 (4) An LEA shall direct donations provided to the LEA through the LEA's foundation in
419 accordance with the LEA's policies governing the foundation.

420 (5) If an LEA accepts a donation, the LEA shall prevent potential inequities in schools
421 within the LEA when distributing the donation.

422 **R277-407-8. Fee Waivers.**

423 (1)(a) All fees are subject to waiver.

424 (b) Fees charged for an activity, class, or program held outside of the regular school
425 day, during the summer, or outside of an LEA's regular school year are subject to waiver.

426 (c) Non-waivable charges are not subject to waiver.

427 (2)(a) Except as provided in Subsection (2)(b), beginning with the 2020-21 school
428 year, an LEA may not use revenue collected through fees to offset the cost of fee waivers by
429 requiring students and families who do not qualify for fee waivers to pay an increased fee
430 amount to cover the costs of students and families who qualify for fee waivers.

431 (b) An LEA may notify students and families that the students and families may
432 voluntarily pay an increased fee amount or provide a donation to cover the costs of other
433 students and families.

434 (c) For an LEA with multiple schools, the LEA shall distribute the impact of fee waivers
435 across the LEA so that no school carries a disproportionate share of the LEA's total fee
436 waiver burden.

437 (3) An LEA shall provide, as part of any fee policy or schedule, for adequate waivers
438 or other provisions in lieu of fee waivers to ensure that no student is denied the opportunity
439 to participate in a class or school-sponsored or supported activity because of an inability to pay
440 a fee.

441 (4) An LEA shall designate at least one person at an appropriate administrative level
442 in each school to review and grant fee waiver requests.

443 (5) An LEA shall administer the process for obtaining a fee waiver or pursuing an
444 alternative fairly, objectively, without delay, and in a manner that avoids stigma,
445 embarrassment, undue attention, and unreasonable burdens on students and parents.

446 (6) An LEA may not treat a student receiving a fee waiver or provision in lieu of a fee
447 waiver differently from other students.

448 (7) A school may not identify a student on fee waiver to students, staff members, or
449 other persons who do not need to know.

450 (8)(a) An LEA shall ensure that a fee waiver or other provision in lieu of fee waiver is
451 available to any student whose parent is unable to pay a fee.

452 (b) A school or LEA administrator shall verify fee waivers consistent with this rule.

453 (9) An LEA shall submit school fee compliance forms to the Superintendent for each
454 school that affirm compliance with the permanent injunction, consistent with Doe v. Utah State
455 Board of Education, Civil No. 920903376 (3rd District 1994).

456 (10) An LEA shall adopt a fee waiver policy for review and appeal of fee waiver
457 requests which:

458 (a) provides parents the opportunity to review proposed alternatives to fee waivers;

459 (b) establishes a timely appeal process, which shall include the opportunity to appeal
460 to the LEA or its designee; and

461 (c) suspends any requirement that a given student pay a fee during any period for
462 which the student's eligibility for waiver is under consideration or during which an appeal of
463 denial of a fee waiver is in process.

464 (11) An LEA may pursue reasonable methods for collecting student fees, but may not,
465 as a result of unpaid fees:

466 (a) exclude a student from a school, an activity, class, or program that is provided,
467 sponsored, or supported by a school during the regular school day;

468 (b) refuse to issue a course grade; or

469 (c) withhold official student records, including written or electronic grade reports,
470 diplomas or transcripts.

471 (12)(a) A school may withhold student records in accordance with Subsection 53G-8-
472 212(2)(a).

473 (b) Notwithstanding Subsection (12)(a), a school may not withhold any records
474 required for student enrollment or placement in a subsequent school.

475 (13) A school is not required to waive a non-waivable charge.

476 **R277-407-9. Service In Lieu of Fees - Voluntary Requests for Installment Plans.**

477 (1) Subject to the provisions of Subsection (2), an LEA may allow a student to perform
478 service in lieu of a fee, but service in lieu of a fee may not be required.

479 (2) An LEA may allow a student to perform service in lieu of a fee if:

480 (a) the LEA establishes a service policy that ensures that a service assignment is
481 appropriate to the:

482 (i) age of the student;

483 (ii) physical condition of the student; and

484 (iii) maturity of the student;

485 (b) the LEA's service policy is consistent with state and federal laws, including:

486 (i) Section 53G-7-504; and

487 (ii) the Federal Fair Labor Standards Act, 29 U.S.C. §201;

488 (c) the service can be performed within a reasonable period of time; and

489 (d) the service is at least equal to the minimum wage for each hour of service.

490 (3)(a) A student who performs service may not be treated differently than other
491 students who pay a fee.

492 (b) The service may not create an unreasonable burden for a student or parent and
493 may not be of such a nature as to demean or stigmatize the student.

494 (4) An LEA shall transfer a student's service credit to:

- 495 (a) another school within the LEA; or
496 (b) another LEA upon request of the student.
- 497 (5)(a) An LEA may make an installment payment plan available to a parent or student
498 to pay for a fee.
- 499 (b) An installment payment plan described in Subsection (5)(a) may not be required in
500 lieu of a fee waiver.
- 501 (6) An LEA that charges fees shall adopt policies that include at least the following:
- 502 (a) a process for obtaining waivers or pursuing alternatives that is administered fairly,
503 objectively, and without delay, and avoids stigma and unreasonable burdens on students and
504 families;
- 505 (b) a process with no visible indicators that could lead to identification of fee waiver
506 applicants;
- 507 (c) a process that complies with the privacy requirements of The Family Educational
508 Rights and Privacy Act of 1974, 20 U.S.C. § 123g (FERPA);
- 509 (d) a student may not collect fees or assist in the fee waiver approval process;
- 510 (e) a standard written decision and appeal form is provided to every applicant; and
511 (f) during an appeal the requirement that the fee be paid is suspended.

512 **R277-407-10. Individual and Group Fundraising Requirements.**

- 522 (e) shall require compliance with the requirements of Rule [R277-113](#) when using
523 alternative methods of raising revenue that do not include students; and

525 letting parents and students know how and when specific details, as described in Subsection
526 (3), will be provided.

527 (3) The specific details described in Subsection (2)(f) shall include a description of the
528 nature of the required group fundraiser and the estimated participation time required of the
529 student or parent for the required group fundraiser.

530 **R277-407-11. Fee Waiver Eligibility.**

531 (1) A student is eligible for fee waiver if an LEA receives verification that:

532 (a) in accordance with Subsection 53G-7-504(4), based on the family income levels
533 established by the Superintendent as described in Subsection (2);

534 (b) the student to whom the fee applies receives SSI;

537 (e) the student is in state custody.

538 (2) The Superintendent shall annually establish income levels for fee waiver eligibility

540 (3) In lieu of income verification, an LEA may require alternative verification under the
541 following circumstances:

542 (a) If a student's family receives TANF, an LEA may require ~~a letter of decision~~ the
543 student's family to provide to the LEA an electronic copy or screen-shot of the student's
544 family's eligibility determination or eligibility status covering the period for which a fee waiver
545 is sought from the Utah Department of Workforce Services;

546 (b) If a student receives SSI, an LEA may require a benefit verification letter from the
547 Social Security Administration;

548 (c) If a student is in state custody or foster care, an LEA may rely on the youth in care
549 required intake form and school enrollment letter or both provided by a case worker from the
550 Utah Division of Child and Family Services or the Utah Juvenile Justice Department.

551 (d) An LEA may not subject a family to unreasonable demands for re-qualification.

552 (4) A school may grant a fee waiver to a student, on a case by case basis, who does
553 not qualify for a fee waiver under Subsection (1), but who, because of extenuating
554 circumstances is not reasonably capable of paying the fee.

555 (5) An LEA may charge a proportional share of a fee or reduced fee if circumstances
556 change for a student or family so that fee waiver eligibility no longer exists.

557 **R277-407-12. Fees for Textbooks and Remediation.**
