School Climate Survey
Student Grade 6-12

Start of Block: Student Grade 6-12

Today you will be taking an important, short survey about your experience at school. Some of the questions in this survey will ask you what grade you are in, your gender and race. While these questions have the potential to identify individual students, the information you provide in this survey will remain confidential; this means your answers will not be linked back to you.

Your honest answers to the questions in this survey will help the school be a safer and more welcoming place to be.

If you need help understanding words or questions, please ask your teacher or an adult nearby.

After the survey, if you would like to talk about your thoughts or feelings, someone will be available in the main office.

The survey should take less than 10 minutes to complete.
At this school, all students are treated equally, regardless of whether their parents are rich or poor.
