Career and Technical Education provides all students access to high-quality, rigorous career-focused programs that result in attainment of credentials with labor market value.

**850** Students enrolled in CTE courses

**96.6%** Graduation rate for students who are CTE concentrators.

Compared to San Juan School District’s graduation rate of **93.8%**

**86.9%** of students who concentrated in a CTE Pathway placed in postsecondary education, advanced training, military service, or employment.

(October 1-December 31, 2017-2018)

**68%** of students concentrated in a CTE Career Pathway. A **concentrator** is a student who has completed **1.5 credits** in a single CTE program of study.

**22%** of students completed a CTE Career Pathway. A **completer** is a student who has completed **3.0 credits** in a single CTE program of study.

**337** CTE Concurrent Enrollment (CE) credits earned

Students have opportunities to earn CE credits in CTE courses. CE provides prepared high school students with a challenging and rigorous college-level experience. Students in the program receive both college and high school credit.

**236** students participated in College & Career Awareness

College and Career Awareness is a middle school course designed to increase awareness of college and career pathways. Students explore high school, college, and career options based on individual interests, abilities, and skills. Students investigate high-skill and/or in-demand jobs in the Utah labor market, while developing workplace skills.

Statewide, 258 high school seniors applied for a CTE Scholarship and Tuition Award, with 90 applicants receiving a college scholarship. Scholarships are for up to one year’s tuition.

**4** students received a CTE Scholarship and Tuition Award to a Utah public college or university.
Students completing a CTE Career Pathway are recognized by the state of Utah and their high school by receiving a CTE Secondary Pathway Completer Recognition Award.

CTE Career Pathways with the Highest Completer Rates
- Service Technician
- Robotics & Electronics
- Agricultural Production Systems
- Agricultural Mechanics Systems
- Welding
- Cabinetmaking/Millwork
- CAD Architectural Design

WBL provides opportunities for students to learn a variety of skills through rigorous academic preparation with hands-on career development experiences.

Students are members of a Career and Technical Student Organization (CTSO).
