

**CONFERENCE OVERVIEW**

Skilled & Technical Sciences Education is constantly strengthened and empowered by new and innovative ideas. This year the conference will overlap with the Information Technology, Business and Marketing, and Technology and Engineering Summer Conferences with hopes of generating new ideas, while still maintaining a continued focus on outstanding teaching skills. The Skilled and Technical Sciences section will provide information and training for teachers of the skilled trades. While specific session titles are not available at the time of this posting, the general content of the sessions will focus on timely issues and topics that will be useful to this audience. A tentative conference schedule and lodging information are provided below.
