

Utah Career and Technical Education Career Pathway

2018-2019 School Year

CTSO Information
 Career and Technical Student Organizations (CTSO) align with the national career clusters and all Utah CTE Career Pathways.

FCCLA is the CTSO for students in the Community, Family and Social Services CTE Career Pathway. FCCLA provides students with opportunities to attain the knowledge, skills, and leadership characteristics necessary to succeed in life and careers.

Workforce Trends
 According to the U.S. Department of Labor, employment of social workers is projected to increase 12 percent through the year 2024. Most social workers need a bachelor's degree in social work. However, clinical social workers must have a master's degree as well as experience.

HIGH SCHOOL TO POSTSECONDARY EDUCATION AND TRAINING

There are a number of options for education and training beyond high school, depending on your career goals.

12th Grade	1-Year Certificate	2-Year Associate or Technical Degree	4-Year Bachelor's Degree	More Graduate or Prof. Degree
Certificates are awarded upon the successful completion of a brief course of study, usually one year or less. Upon completion of a course of study, a certificate does not require any further action to retain. In high school a variety of certificates can be earned.		An academic degree is an award for the completion of a program or course of study over multiple years at postsecondary education institutions. In 2015-2016, 73 percent of secondary students who concentrated in a CTE Career Pathway placed in postsecondary education, advanced training, military service or employment (October 1-December 31).		

Utah Business and Industry Facts
 Social workers are found in numerous industries throughout Utah, including local, state, federal agencies, schools, residential care facilities, and emergency/relief services, and social advocacy organizations.

In Utah, child, family, and school social workers, and marriage and family therapists must be licensed.
