Student Tutoring Achievement for Reading

Letter Sound List

The tutor will begin the letter sound lessons by covering columns B-F of the letter sound list and having the student say the sounds of the letters in column A. Highlight the letter sounds the student knows on a separate copy of the letter sound list. Use the un-highlighted letter sounds to teach the letter sound lessons. When all letter sounds are known in column A, repeat the process for column B then columns C, D, E, and F.
