Nurse Assistant
Automotive
Adobe Photoshop

** business, trade association, or other industry group
# Top Pathways

Students completing a CTE Career Pathway are recognized by the state of Utah and their high school by receiving a CTE Secondary Pathway Completer recognition Award.

## CTE Career Pathways with the Highest Completer Rates

- Health Science
- Business Information Management
- Broadcasting & Digital Media
- Auto Mechanics & Repairs
- Welding & Machining
- Food Science, Dietetics and Nutrition
- Information Technology Systems
- Programming & Software Development
- Graphic Design & Communication
- Engineering

---

## Work-Based Learning (WBL)

is an instructional strategy that prepares students for success in careers through direct involvement with business/industry and community professionals.

### Benefits to students participating in WBL:

- Awareness of career options and skills required.
- Development of technical knowledge and skills.
- Practical application of academic, technical knowledge, and skills.
- Demonstration of workplace skills.

**Utah WBL K-12 includes** guest speakers, career fairs, job shadows, field studies, school-based enterprises, internships, and apprenticeships.

---

## Career and Technical Student Organizations

19,127 students are members of a Career and Technical Student Organization (CTSO).

---

Students who participate in school organizations in 10th grade have higher grade point averages and are more likely to be enrolled in college at 21 years of age than other students (ctsos.org).

---

## College and Career Awareness

49,127 students participated in College and Career Awareness is a middle school course designed to increase awareness of college and career pathways. Students explore high school, college, and career options based on individual interests, abilities, and skills. Students investigate high-skill and/or in-demand jobs in the Utah labor market, while developing workplace skills.

---

## CTE Concurrent Enrollment (CE) credits earned

115,603 Students have opportunities to earn CE credits in CTE courses. CE provides prepared high school students with a challenging and rigorous college-level experience. Students in the program receive both college and high school credit.

---

Utah CTE classes are open to all qualified students without regard to race, color, national origin, sex, disability, or age.
