91

Work-Based Learning

students participated in WBL activities, including internships, apprenticeships, and workplace readiness training.

WBL provides opportunities for students to learn a variety of skills through rigorous academic preparation with hands-on career development experiences.

394

students are members of a Career and Technical Student Organization (CTSO).

Students who participate in school organizations in 10th grade have higher grade point averages and are more likely to be enrolled in college at 21 years of age than other students (ctsos.org).

398

students participated in

College and Career Awareness is a middle school course designed to increase awareness of college and career pathways. Students explore high school, college, and career options based on individual interests, abilities, and skills. Students investigate high-skill and/or in-demand jobs in the Utah labor market, while developing workplace skills.

3

students received a CTE Scholarship and Tuition Award to a Utah public college or university.

293 high school seniors applied for a CTE Scholarship and Tuition Award, with 117 applicants receiving a college scholarship. Scholarships are for up to one year's tuition.

Utah CTE classes are open to all qualified students without regard to race, color, national origin, sex, disability, or age.
