The Transportation, Distribution & Logistics Career Cluster focuses on preparing students for employment in careers that relate to the planning, management, and movement of people, materials, and goods by road, pipeline, air, rail and water and related professional support services such as transportation infrastructure planning and management, logistics services, mobile equipment and facility maintenance.

**Student Success**

“I completed a CTE Internship at a local garage in my community. Because of the courses I have taken, the safety certifications I have earned, and my internship, Jify Lube hired me on the spot. The CTE Pathways program helped me learn to set goals and make wise choices. CTE courses gave me real-life, marketable skills.”

Trever Gardner

1,528 students are members of a Career and Technical Student Organization (CTSO) aligned with the Transportation, Distribution & Logistics Career Cluster. Students who participate in the related CTE Career Pathways have the opportunity to join the Career and Technical Student Organization (CTSO) of SkillsUSA. (SY 2018-2019)

**CTE Career Pathways**

Through participation in CTE Career Pathways students learn how to become productive employees and gain the academic skills to increase their earning potential while still in high school. Utah CTE Career Pathways are categorized by Career Cluster and each Career Pathway culminates in an industry-recognized credential of value.

**Transportation, Distribution & Logistics Career Cluster**

**Utah CTE Career Pathways: (SY 2020-2021)**

> Auto Mechanics & Repairs
> Aviation
> Diesel

2,560 CTE Skill Certificates awarded to students in the Transportation, Distribution & Logistics Career Cluster. (SY 2018-2019)
