NOCTI – CTE tests

Qualifying Score and Score Status:
The Qualifying Score for tests with a Score Status of "Prelim" have not yet been finalized. Candidates must meet the current qualifying score at the time they receive the License Area or Endorsement. Score Statuses marked as "Review" will have their final passing score set during the 2020-2021 school year. The new score will be required as of August 31, 2021. The final score may or may not change from the score listed here. Please refer to the Licensure Testing Update on our website for current passing scores on these tests. **Please note that these were originally scheduled to be finalized earlier but were delayed.**

Associate Educator License Testing Requirements:
License areas and endorsements eligible for the Associate Educator License are marked with (AEL). If the license areas or endorsements do not have this (AEL) indication, it is NOT eligible for the Associate Educator License.

Previously Approved Tests:
Educators that took previously approved tests during the time period in which Utah approved the use of that particular test and that met the Utah passing score may be approved for Utah licensure. For example, for elementary licensure Utah currently requires licensure candidates to take and pass the 5001 Elementary Multiple Subjects test. However, an educator that took and passed the 5014 Elementary: Content Knowledge test prior to September 1, 2012 is considered to have met the testing requirement for Utah licensure. An educator that took and passed the 5014 after September 1, 2012 has **not** met the testing requirement. For a list of historically approved tests, please see the end of this document.
