This conference will include professional development in Robotics within the Engineering pathway (Engineering & Technology Career Cluster).

CONFERENCE OVERVIEW
The USBE’s Technology & Engineering Conference will be held at Granite Technical Institute (GTI) on Thursday, June 11th & Friday, June 12th, 2020. The conference is intended for all middle school/junior high teachers who hold a Technology endorsement. The conference will be specifically focused on the newly introduced Robotics Technology course. On the first day, teachers will attend sessions and deep dives into the strands and standards associated with this course. The second day will contain content on various commercially available robotics kits.
