Strategies for Personal Self-Care

This resource is designed to support families and educators during this unprecedented time. Please be mindful to take care of yourself first. “It is not selfish to refill your own cup so that you can pour into others.

Self-care is any activity that we do deliberately in order to take care of our mental, emotional, and physical health. Although it’s a simple concept in theory, it’s something we very often overlook.

Here are some simple strategies that might be useful to consider:

- Set and maintain healthy boundaries
- Take a break from watching, reading or listening to news stories… including social media.
- Unplug – give yourself permission not read email or answer phones for certain time blocks. Set up automatic responses with your availability.
- Practice mindfulness strategies such as deep breathing, yoga, stretching, or meditation.
- Create a menu of personal activities that you enjoy:
  - Cooking
  - Fitness
  - Puzzles
  - Family Time
  - Music
  - Reading
  - Gaming
  - Coloring
  - Mechanics
  Give yourself permission to participate in at least 1 a day!
