

Institution Criteria FAQs - Bridgerland Technical College

CTE Scholarship and Tuition Awards

- **What criteria does your institution have regarding students who want to defer the scholarship?**

Recipients are expected to begin training at Bridgerland Technical College within one year of graduation from high school. Scholarships commonly may be held for a later start date for students who wish to serve church missions or who may be involved in military service within that year following graduation and would like to begin training immediately following their service. These students must contact Financial Aid Office, 435-753-6780, within one year of high school graduation to notify the College of their plans and have the date the student must begin using the scholarship determined.

- **Are the scholarships full tuition? If not, what is the dollar amount?**

Tuition only

- **A one-year scholarship or tuition award generally implies that students start in the fall and end in the spring. Can students access this scholarship for the summer?**
