Select Endorsement Type: Please check one

- This application is for a Health Education Endorsement
- This application is for an Associate Endorsement
- This application is for Associate or Out of State Licensure

Instructions for Completing the Application

1. Print and complete the Health Education Endorsement Application.
2. Submit Transcripts. Original copies of transcripts with courses highlighted is preferred. They do not need to be sealed in an envelope, but they need to be original college or university transcripts on official paper. Photocopies or transcripts that you have electronically received will not be accepted. We will accept electronic transcripts only if they are sent directly from the college or university through a transcript clearinghouse to transcripts@schools.utah.gov. Transcripts should be sent before you submit your endorsement application. Please note on the application that transcripts have been sent electronically.
3. For those who are submitting Out of State (OOS) or Associate Endorsement application must include a completed endorsement form.
4. Send completed application and transcripts to:
 - Utah State Board of Education – Endorsements
250 East 500 South
P.O. Box 144200
Salt Lake City, Utah 84114-4200

Process:

For those with a current Utah teaching license and endorsed in another content area, there are two methods to earn the Physical Education Endorsement listed below. For those without a current Utah license and no endorsements, applicant must complete all course work, have current CPR/First Aid certification, and pass the content Praxis exam.

Method 1: University and Professional Development Courses Approved by USBE

1. Current Utah teaching license
2. Completion of the six required courses
 - a) Foundation of Health Education
 - b) Methods of Teaching Health
 - c) Human Sexuality/Sex Education
 - d) Nutrition
 - e) Substance Abuse Prevention
 - f) Mental Health
3. Current First Aid and CPR Certification. Submit copies of both sides of certification cards
4. Course work which occurred more than ten years from application date will be considered only if content meets current requirements and is up-date with industry standards.
5. If you wish to substitute any course not listed from the pre-approved list below, you must provide a course description
6. Provide course number for each required course on the form below

Method 2: Demonstrated Competency

1. Current Utah secondary teaching license
2. Score 162 or more on Health Education Content PRAXIS exam 5551
 - a) Information on all PRAXIS tests can be found on the website www.ets.org/praxis. To register for a test, go the website and click on the link "Register for a Test." To find information on the content of a particular test, click on the link "Prepare for a Test".
3. Completion of the following course work
 - a) Methods of Teaching Health
 - b) Human Sexuality/Sex Education
 - c) Nutrition
 - d) Mental Health
4. Current First Aid and CPR Certification. Submit copies of both sides of certification cards

For information or questions about the health endorsement please contact the health and physical education specialist:

Salt Lake City, UT 84114-4200

Requirement Checklist

The courses listed from the following Utah universities or professional development courses have already been pre-approved for credit towards the endorsement. If you have a course that is not pre-approved, list the course title and course number on the *other* row and include course description and/or syllabus with application.

University courses are reviewed and approved by agreement with USBE. You must have original university transcripts attached (internet copies are not acceptable). Professional development courses other than those offered by USBE must be approved by the USBE Health Education Specialist.
