

# CTE Month — February 2019

**I am CTE**  
CAREER TECHNICAL EDUCATION

## How will you celebrate CTE Month® in your SCHOOL?

As part of your staff and student recognition program, this event can add spirit to your school and classroom and will strengthen morale.

### Goals of CTE Month:

- Inform students about the importance of choosing a CTE Career Pathway.
- Increase student awareness of careers, education, and training.
- Strengthen student engagement through the Plan for College and Career Readiness.
- Increase parent/guardian involvement and awareness of CTE programs.
- Promote discussion of postsecondary options—training, certificates, and degrees.

## What Can I Do to Promote CTE Month in My School?

### Consider making the following activities part of your celebration:

- **Advocate for CTE** by sharing success stories of CTE teachers and students with your local school board, local community, and legislative representatives.
  - Arrange to make presentations at various organizations on the value of partnerships with CTE.
  - Attach the CTE Month announcement flyer to minutes or newsletters of organizations.
  - Contact the media about the events taking place in your school.
  - Distribute copies of public relations materials to your teachers.
  - Have an open house at your school highlighting the importance of CTE.
- Decorate your school with banners and posters.
- Display an exhibit in your school featuring CTE Month activities.
  - Provide an area for a “questions and answers” table or booth about Career and Technical Education.
- Post electronic announcements to your school website, marquee, and bulletin boards.
- Recognize your CTE teachers and students.
- **Social Media:**
  - Post on Facebook highlights of the CTE Month events in your school.
  - Tweet about the CTE Month events in your school.
  - Write a blog highlighting the CTE programs available in your school. Post the blog on your school website.
- Use a special message promoting CTE Month in the morning school announcements and when answering your telephones.
