CTE Month — February 2020

TURN YOUR DREAM INTO A CAREER

How will you celebrate CTE Month® in your SCHOOL?
As part of your staff and student recognition program, this event can add spirit to your school and classroom and will strengthen morale.

Goals of CTE Month:
• Inform students about the importance of choosing a CTE Career Pathway.
• Increase student awareness of careers, education, and training.
• Strengthen student engagement through the Plan for College and Career Readiness.
• Increase parent/guardian involvement and awareness of CTE programs.
• Promote discussion of postsecondary options—training, certificates, and degrees.

What Can I Do to Promote CTE Month in My School?
Consider making the following activities part of your celebration:
• Advocate for CTE by sharing success stories of CTE teachers and students with your local school board, local community, and legislative representatives.
  o Arrange to make presentations at various organizations on the value of partnerships with CTE.
  o Attach the CTE Month announcement flyer to minutes or newsletters of organizations.
  o Contact the media about the events taking place in your school.
  o Distribute copies of public relations materials to your teachers.
  o Have an open house at your school highlighting the importance of CTE.
• Decorate your school with banners and posters.
• Display an exhibit in your school featuring CTE Month activities.
  o Provide an area for a “questions and answers” table or booth about Career and Technical Education.
• Post electronic announcements to your school website, marquee, and bulletin boards.
• Recognize your CTE teachers and students.
• Social Media:
  o Post on Facebook highlights of the CTE Month events in your school.
  o Tweet about the CTE Month events in your school.
  o Write a blog highlighting the CTE programs available in your school. Post the blog on your school website.
• Use a special message promoting CTE Month in the morning school announcements and when answering your telephones.
