

LEA Eligibility Part B

Entities that receive subgrants of IDEA Part B flow-through funding are LEAs, including public school districts and public charter schools, and the Utah Schools for the Deaf and Blind (USDB). All LEAs must be current with the Utah Program Improvement Planning System (UPIPS) monitoring requirements, including correction of noncompliance within one year of notification, annual Corrective Action Plan (CAP) and Program Improvement Plan (PIP) reports, and desk audit submissions to be eligible for IDEA Part B funds.

Further, each LEA must have on file, with the USBE SES, policies, procedures, and programs (including any documentation necessary to ensure implementation) that are consistent with the State policies and procedures in the Utah State Board of Education Special Education Rules (USBE SER) (34 CFR §300.201). The minimum required components of these policies and procedures are detailed in the State Rules (USBE SER IX.A.2(a-r)). The LEA must also have on file with the USBE information to demonstrate that it will make available to parents of students with disabilities and to the general public all documents related to the eligibility of the LEA under IDEA Part B (34 CFR §300.212; USBE SER IX.A.5).
