Students have opportunities to earn CE credits in CTE courses. CE provides prepared high school students with a challenging and rigorous college-level experience. Students in the program receive both college and high school credit.

90 students statewide received a CTE Scholarship and Tuition Award to a Utah public college or university.

Statewide, 258 high school seniors applied for a CTE Scholarship and Tuition Award, with 90 applicants receiving a college scholarship. Scholarships are for up to one year’s tuition.

College and Career Awareness is a middle school course designed to increase awareness of college and career pathways. Students explore high school, college, and career options based on individual interests, abilities, and skills. Students investigate high-skill and/or in-demand jobs in the Utah labor market, while developing workplace skills.

College and Career Awareness

65 students participated in
Students completing a CTE Career Pathway are recognized by the state of Utah and their high school by receiving a CTE Secondary Pathway Completer Recognition Award.
