

## Cloudy and Sunny

This morning it was cloudy. Maria and her	8
friends went outside. They played tag.	14
Then the sun came out. The sun felt warm.	23
The air got warmer and warmer.	29
Maria felt very warm. She needed to take a	38
break. She sat down under a tree. It was cooler in	49
the shade. Maria smiled. She waved to her friends.	58
“Cool off with me in the shade!” said Maria.	67
