

# School Services

As part of the Family Support Services Department, our team of certified teachers provide opportunities for hospitalized children and adolescents to continue learning, engage in educational activities, and to support in their transition back to school.

## Our services include the following:

- Scheduled 1:1 tutoring and academic instruction
- Check out iPad or Chromebook
- Provide School Supplies
- Schedule Virtual Reality Session
- Channel 8 TV programming
  - Songs and Stories —Tuesdays 3:00
  - Are You Smarter Than— Wednesdays 3:00
- Assistance with school communication
- Identify academic needs
- Assistance navigating education system
- Provide documentation for school absences
- Information on IEP/504 plans
- Educate school personnel about diagnoses and any accommodations the child may need
- Community educational resources
- Facilitate transition back to school

Visit the School Zone located on the 3rd floor (next to north elevators)
