

SOEP At-A-Glance for Students and Parents

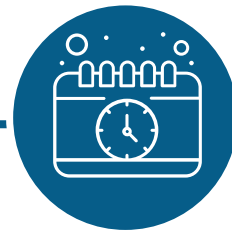

The **Statewide Online Education Program** (SOEP) allows students in grades 6-12 to take up to six credits per school year through an approved online school.

Provides access to quality, online learning anywhere.

Uses technology to customize courses to a student's learning style and pace.

Allows students to customize their schedules to meet their academic goals.

Who is eligible?

Public school, private school, and home school students in grades 6-12 are eligible to [participate](#).

What courses are offered and when?

The SOEP partners with 6 online schools. See the SOEP Courses document to see the courses offered at each online school. See the Registration Deadlines document to see application deadlines and course start dates.

Utah's online schools are:

- ASU Prep Digital Powered by Juab
- Canyons Virtual Academy
- Davis Connect
- Mountain Heights Academy
- Utah Online School
- Utah Virtual Academy

How do I register?

1. Students register for courses using the SEATS application site: seats.schools.utah.gov
2. Students then register with the online school providing courses.
