

## COURSE SELECTIONS | 2024

Welcome to the Statewide Online Education Program (SOEP) guide showcasing the classes available at participating Utah online schools. We strive to provide students with the most up-to-date information to get you started on your online classes. Please be aware that class availability may fluctuate due to changes in the courses offered by the course providers.

In the following tables, you will find an overview of available courses categorized by:

- Sessions: Quarter 1 (Q1), Quarter 2 (Q2), Quarter 3 (Q3), and Quarter 4 (Q4)
- Class Names
- Core Code

To navigate this document efficiently, utilize the **'find'** functionality in Adobe Acrobat by following these simple steps:

1. Open the document in Adobe Acrobat.
2. Click on the magnifying glass icon located in the toolbar or press Ctrl + F (Cmd + F on Mac).
3. Enter your desired keyword or class code into the search bar.
4. Adobe Acrobat will highlight all instances of the keyword within the document, allowing for easy navigation to the relevant section.

Explore the tables below to discover the diverse array of courses available throughout the academic year.
